Multicolor Son mieux

Waking tonight from a dream black and white To a life in multicolor Polarized lights, flash and open my eyes To a world that's undiscovered

I see you, I see me like a lost memory That's appearing out of the blue All is new, that I see, now I truly perceive There is more than I ever knew

In this view, oh oh I see all the colors in you In this view, oh oh I see all the colors in you

The rhythm of the street looks like music to me It's a sound that I ain't ever seen before Had to hear it to receive it Had to see it to believe it Had to lose it to know what I was looking for

I see you, I see me like a lost memory That's appearing out of the blue All is new, that I see, now I truly perceive There is more than I ever knew

In this view, oh oh I see all the colors in you In this view, oh oh I see all the colors in you Multicolor Multicolor I see all the colors in you

Watching as the night turns to morning The temporary tones of the sky Remind me that we're always evolving Nothing's ever black and white So it's you and I, and it's all Multicolor I see all the colors in you In this view, oh oh I see all the colors in you In this view, oh oh I see all the colors in you Multicolor Multicolor I see all the colors in you Multicolor
